CISRI-ISP PERMANENT OBSERVER MISSION TO THE UNITED NATIONS LAUNCHES ITS OFFICIAL WEBSITE

United Nations Headquarters, NEW YORK, N.Y. – 16 June, 2006. The Official Website of CISRI-ISP Permanent Observer Mission to the United Nations is now accessible on www.pomun.org. The website provides vital information about the goals of CISRI-ISP and its various programmes in support of our objectives and the UN Millennium Development Goals. You are most welcome to benefit from its content and join us in our mission to make a positive contribution to alleviate the immense suffering caused by severe malnutrition.

We are extremely grateful to **Mr. Manish Uprety, Special-Adviser (South Asia), CISRI-ISP** who conceptualized the idea and gave it a potent form as a website. Our gratitude also goes to **Mr. Syed Suhail Subzwari** and his team at **Palette4web.com** who designed and developed the concept in an excellent manner within a very short span of time.

We are confident that this tool like its medium will trespass the boundaries of nations, race, and cultures to unify mankind in our endeavour to combat severe malnutrition effectively and make a significant contribution towards the achievement of the United Nations Millennium Development Goals.
