“There are people in the world so hungry that God cannot appear to them except in the form of bread”

Mahatma Gandhi

THE REPUBLIC OF KENYA BECOMES THE 11th OFFICIAL MEMBER COUNTRY OF THE IIMSAM TREATY MANDATE TO COMBAT SEVERE MALNUTRITION THROUGH USING SPIRULINA.

Picture on: Ambassador and Director General of IIMSAM H.E. **Remigio Maradona**, Kenya`s Minister of Foreign Affairs H.E. **Hon. Moses M. Wwtan`gula, E.G.H, M.P.** and IIMSAM`s Deputy Ambassador H.E. **Shariar Rahimi**

(**United Arab Emirates, Dubai 2ND June 2009**) IIMSAM`s Director General **H.E.Ambassador Remigio Maradona** and Deputy Ambassador **H.E. Shariar Rahimi** had concrete talks with Kenya`s Minister of Foreign Affairs H.E. **Hon. Moses M. Wwtan`gula, E.G.H,M.P.** that concluded on IIMSAM`s full diplomatic recognition by Kenya. **H.E. the Minister signed the IIMSAM treaty on 25th of May 2009.**

IIMSAM aspires to make Spirulina which was described by the *United Nations world Food Conference of 1974 as the ‘best food for the future’*, as a key-driver to eradicate malnutrition, achieve food security, and bridge the health divide with a special priority for the developing and the least developed countries.

DAR AL MUAMINEEN IIMSAM CENTRE East & Central Africa Spirulina Programme to alleviate severe malnutrition and hunger comes especially at a time when Kenyan President Mwai Kibaki announced a national emergency and declared that over 10 million people don't have enough food to eat. Uses Spirulina to eradicate various pathologies and deprivations associated with malnutrition amongst disabled children and others suffering from malnutrition.

IIMSAM's Goodwill Ambassadors, the Obamas are assisting and facilitating the cause of IIMSAM to utilize Spirulina which is being cultivated locally by the IIMSAM East & Central Africa Spirulina Programme and its inherent benefits to eradicate malnutrition and also amongst populace that has HIV/AIDS. The very programme while establishing lasting capacities and capabilities not only provides employment to the locale in a country where the unemployment rates are alarmingly high but also localizes the benefits and other spillover effects associated with Spirulina cultivation.

IIMSAM East & Central Africa Spirulina Programme IIMSAM's Mandate is to spread dissemination about Spirulina, and Spirulina Nutritional Initiatives to combat severe malnutrition. Also **CAMP MARADONA®** which is an affirmative action programme of IIMSAM to provide holistic education to children through Football. The very programme has already started in Kenya and shall soon spread to other African countries and the world.
